Purpose of the policy

- 1.1 The purpose of this policy is to:
- Ensure an awareness of Prevent across Nacro
 - Provide a clear framework to structure and inform our response to safeguarding concerns, including a supportive referral process for those who may be susceptible to the messages of extremism
 - Embed British Values into the curriculum and ways of working
 - Recognise current practice which contributes to the Prevent agenda
 - Identify areas for improvement

2. Who does this policy apply to?

- 2.1 The Prevent Policy applies to everyone working for or attending a Nacro centre. It confers responsibilities on all trustees, Nacro staff, learners, agency staff and volunteers, contractors, visitors, consultants and those working under self-employed arrangements.

3. Policy Statement

- 3.1 Nacro is committed to providing a secure environment for all our learners/service users, where they feel safe and are kept safe. There is no place for extremist views of any kind in our education centres, housing provision or health and justice services, whether from internal sources – learners, service users, staff or trustees, or external sources – learner/housing community, external agencies or individuals.
- 3.2 The aim of the Prevent Policy is to create and maintain a safe, healthy and supportive environment for all our learners, service users, staff and visitors alike. We recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for all our learners and service users. We further recognise that if we fail to challenge extremist views we are failing to protect our learners/service users from potential harm. As such the Prevent agenda will be addressed as a safeguarding concern.
- 3.1 Nacro has adopted the Prevent Duty in accordance with legislative requirements. However, we will endeavour to incorporate the relevant duties so as not to:
- (a) Stifle legitimate discussions, debate or learner engagement activities in the local community; or
 - (b) Stereotype, label or single out individuals based on their origins, ethnicity, faith and beliefs or any other characteristics protected under the Equality Act 2010.

4. Why do we need this policy?

4.1 Background information

- 4.1.1 Prevent is one of 4 strands of the Government's counter terrorism strategy – CONTEST. The UK currently faces a range of terrorist threats. Terrorist groups who pose a threat to the UK seek to radicalise and recruit people to their cause. Therefore, early intervention is at the heart of Prevent which aims to divert people away from being drawn into terrorist activity.
- 4.1.2 Prevent happens before any criminal activity takes place by recognising, supporting and protecting people who might be susceptible to radicalisation.
- 4.1.3 The national Prevent Duty confers mandatory duties and responsibilities on a range of public organisations, including Further Education providers, and seeks to:
- Respond to the ideological challenge of terrorism and aspects of extremism, and the threat we face from those who promote these views.
 - Provide practical help to prevent people from being drawn into terrorism and violent extremism and ensure they are given appropriate advice and support.
 - Work with a wide range of sectors where there are risks of radicalisation which needs to be addressed, including education, criminal justice, faith, the internet and health.
- 4.1.4 The Government has created a system of 'threat level' which represents the likelihood of a terrorist attack in the near future. The current threat level from international terrorism in the UK is severe, which means that a terrorist attack is highly likely.

4.2 Prevent policy objectives

Our Prevent Policy has five key objectives:

1. To promote and reinforce shared values, including British Values¹; to create space for free and open debate; and to listen and support the learner /service user voice.
2. To breakdown segregation among different learner/ service user communities including by supporting inter-faith and inter-cultural dialogue and understanding; and to engage all learners/service users in playing a full and active role in wider engagement in society.
3. To ensure learner/service user safety across all Nacro that is free from bullying, harassment and discrimination.
4. To provide support for learners/service users who may be at risk of radicalisation, and appropriate sources of advice and guidance.
5. To ensure that learners/service users and staff are aware of their roles and responsibilities in preventing violent and non-violent extremism.

5. Definitions

5.1 The following are commonly agreed definitions within the Prevent agenda:

- An **ideology** is a set of beliefs.
- **Radicalisation** is the process by which a person comes to support terrorism and forms of extremism that may lead to terrorism.
- **Safeguarding** is the process of protecting vulnerable people, whether from crime, other forms of abuse or from being drawn into terrorism-related activity.
- **Terrorism** is an action that endangers or causes serious violence, damage or disruption and is intended to influence the government or to intimidate the public and is made with the intention of advancing a political, religious or ideological.
- **Vulnerability** describes factors and characteristics associated with being susceptible to radicalisation.

¹ British Values are detailed within the Prevent Duty and include democracy, the rule of law, Individual and mutual respect and tolerance of different faiths and beliefs.

- **Extremism** is vocal or active opposition to fundamental **British Values**, including democracy, the rule of law, Individual and mutual respect and tolerance of different faiths and beliefs.

6. Aims

6.1 Leadership and Values

 - Encouraging active citizenship and learner voice.

6.3 Learner / Service User Support

- 6.3.1 To ensure that staff take preventative and responsive steps, working with partner professionals, families and communities. This will be achieved through:
- Strong, effective and responsive learner/service users support services.
 - Developing strong community links and being aware of what is happening in the locality, including within education's own community.
 - Implementing anti-bullying strategies and challenging discriminatory behaviour.
 - Recognising factors that may increase risk to a learner/service users, i.e. vulnerability, disadvantage or hardship and implementing early risk management strategies.
 - Ensuring that learners/service users and staff know how to access support in centres and/or via community partners.
 - Supporting learners/service users with problem solving and repair of harm.
 - Supporting 'at risk' learners/service users through safeguarding and crime prevention processes.
 - Focusing on narrowing the attainment gap between the different groups of learners.
 - Working collaboratively to promote support for learners/service users across all areas of Nacro, including those learners/service users in off-site provision.

7. Roles and responsibilities

Whilst this is a standalone policy, it is integral to our Safeguarding Policy and should be applied as an extension to Nacro's current and established safeguarding procedures.

7.1 The Board of Trustees

7.1.1 All Board Members have a legal responsibility under the Prevent Duty to make sure they have undertaken training in the Prevent Duty. Additionally, the Board must ensure that:

- All Nacro staff are aware of when it is appropriate to refer concerns about learners, or colleagues to the Safeguarding Officer;
- All Nacro staff exemplify British Values into their values;
- Policies and procedures to implement the Prevent Duty are in place and acted on where appropriate.

7.2 Prevent Lead Nacro

7.2.1 The Strategic Safeguarding Lead is responsible for the policy review. Directors and the Operational Safeguarding Leads are the duty holders for ensuring that our Prevent Strategy is implemented across Nacro, including the implementation of Prevent Action Plans and that any concerns are shared with the relevant organisations, in order to minimise the risk of our learners and service users becoming involved with terrorism.

7.3 Nacro Safeguarding Board

7.3.1 The Safeguarding Board meet monthly and any concerns raised under the Prevent agenda or changes to the Duty that affect Nacro are discussed within this Board.

7.4 All Staff

7.4.1 All staff at Nacro have a responsibility to:

- Create and support an ethos that upholds Nacro's mission, vision and values including British Values, to create an environment of respect, equality and diversity and inclusion;
- Attend Prevent training in order to have the skills to recognise those who may be vulnerable to radicalisation, involved in violent or non-violent extremism, and to know the appropriate action to take if they have concerns;
- Report any concerns around extremism or radicalisation via the safeguarding reporting channels;
- Report and remove any literature displayed around any Nacro centre, housing provision or other Nacro site that could cause offense or promote extremist views;
- Support the development of staff and learner/service user understanding of the issues around extremism and radicalisation through activities such as training, awareness campaigns and tutorials;
- Participate in engagement with local communities, schools and external organisations as appropriate.

8. Promoting British Values

8.1 At Nacro we will promote the values of democracy, the rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs. We will teach and encourage learners/service users to respect one another and to respect and tolerate difference, especially those of a different faith or no faith. It is indeed our most fundamental responsibility to keep our learners/service users safe and prepare them for life in modern multi-cultural Britain and globally.

8.2 We will also strive to:

- Enable learners/service users to develop their self-knowledge, self-esteem and self-confidence;
- Enable learners/service users to distinguish right from wrong and to respect the civil and criminal law of England;
- Encourage learners/service users to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality and to society more widely;
- Enable learners/service users to acquire a broad general knowledge of and respect for public institutions and services in England;
- Further tolerance and harmony between different cultural traditions by enabling learners/service users to acquire an appreciation of and respect for their own and other cultures;
- Encourage respect for other people, and
- Encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.

8.3 Examples of how we will achieve these:

- Provide materials on the strengths, advantages and disadvantages of democracy, and how democracy and the law works in Britain, compared to other forms of government in other countries
- Ensure all learners/service users within Nacro have a voice that is listened to, and demonstrate how democracy works by actively promoting democratic processes such as Focus Groups
- Consider the role of extra-curricular activity, including any run directly by learners/service users, in promoting fundamental British values.

9. Use of External Agencies and Speakers

9.1 At Nacro we encourage the use of external agencies or speakers to enrich the experiences of our learners/service users; however we will positively check those external agencies, individuals or speakers who we engage to provide such learning opportunities or experiences for our learners/service users.

9.2 Nacro will assess the suitability and effectiveness of input from external agencies or individuals to ensure that:

- Any messages communicated to learners/service users are consistent with the ethos of Nacro and do not marginalise any communities, groups or individuals
- Any messages do not seek to glorify criminal activity or violent extremism or seek to radicalise learners/service users through extreme or narrow views of faith, religion or culture or other ideologies
- Activities are matched to the needs of learners/service users
- Activities are carefully evaluated for Nacro to ensure that they are effective.

9.3 We recognise, however, that the ethos of Nacro is to encourage learners/service users to understand opposing views and ideologies, appropriate to their age, understanding and abilities, and to be able to actively engage with them in informed debate, and we may use external agencies or speakers to facilitate and support this. Therefore by delivering a broad and balanced tutorial programme within our education centres and creating a supportive and positive environment across our other service provisions, and by the use of external sources where appropriate, we will strive to ensure that our learners/service users recognise risk and build resilience to manage any such risk towards themselves, appropriate to their age and ability but also to help learners/service users develop the critical thinking skills needed to engage in informed debate.

10. Managing Risks and Responding to Events

- 10.1 Nacro will ensure that it monitors risks and is ready to deal appropriately with issues which arise through the following:
